

**BRONZE VESSEL GUSTAV  
GURSCHNER K.K.  
KUNSTERZGIESSEREI WIEN CA.  
1905**

**€9.000,00**

bronze vessel, patinated, Gustav Gurschner, K.K.  
Kunsterzgießerei Wien, ca. 1905, marked

---

**Dimensions**

15 × 8 × 15,5 cm

This bronze vessel is a typical example of a Gurschner vase. On the upper half of the vase one can see three relief borders with various Celtic knot patterns, triskelions and loop squares. The rows are separated from each other by a pearl border. These patterns are strictly ordered and create a compelling contrast to the other Gurschner vases with dynamically flowing ornaments.
