

JACK-IN-THE-PULPIT VASE LOUIS C. TIFFANY 1906

€28.000,00

Jack-in-the-pulpit vase, Louis Comfort Tiffany, Tiffany
Studios New York, 1906, signed

The "Jack-in-the-pulpit" vases represent a special design category within the production of the Louis Comfort Tiffany company. These glasses were modeled after the Arisaema Triphyllum plant and are among the most iconic designs of this famous manufacturer. Our example shines in pure gold. It was made in 1906 and received as a wedding gift at the time.
