€3.600,00

Vase, Johann Loetz Witwe, decor Candia Papillon, ca.
1899

The shape of this vase was already documented in 1897, the Candia Papillon decor one year later in 1898. Still adapted to the shape of the 19th century, this vase is one of the earliest objects of the Loetz Witwe Klostermühle company with this iridescent decoration.
