

LOETZ VASE JACK-IN-THE-PULPIT RUSTICANA CA. 1899

€5.500,00

Large floriform vase Jack-in-the-pulpit, Johann Loetz
Witwe, decor Rusticana, ca. 1899

Dimensions

20 × 41 cm

Organic shapes were highly appreciated by the buying audience and the designers of the Loetz manufacture invented a high number of floral objects. Jack-in-the-pulpit and floriform vases had great success during the early times of the Loetz enterprise and were executed in many different decoration variants. The Creta Rusticana decor is one of the earliest Jugendstil decor variants of the Loetz company.
