

## NESTING TABLES JOSEF HOFFMANN J. & J. KOHN CA. 1910

four nesting tables, Josef Hoffmann, J. & J. Kohn, mod.  
Nr. 986, ca. 1910

---

### Dimensions

39 × 45 × 74,5 cm

Around 1905, Josef Hoffmann designed the four nesting tables. With their clean, minimalist lines and structural precision they are emblematic of his furniture designs from that period. Crafted from stained and bent beech wood and produced by Jakob & Josef Kohn, they combine functional elegance with superior craftsmanship.
