relief mirror, Karl Hagenauer, Werkstatte Hagenauer  
Wien, late 1930s, marked

---

**Dimensions**

37,5 × 42 cm

This mirror designed by Karl Hagenauer is an excellent example of the exceptional quality of his work. The timeless design of the artistically perforated frame is dominated by ornamental and figural elements. Our relief mirror also represents a harmonious display of craftsmanship. This model, which was already popular in the 1930s, reflects the pulse and taste of the time for decades with its characteristically reduced formal language and refined elegance.
